Check-In Notes: _____

Any damages will be billed/charged to the operator/renter within 15 days of check-in date. If ATV/UTV is too dirty to assess full condition of machine upon check-in date, machine will be fully inspected again after it has been thoroughly cleaned by rental facility. If damages are found after this is performed, these charges will be applied and paid in full by operator / renter's security deposit. Damages, penalties, and any other additional charges will be taken from operator / renter's security deposit and an invoice marked "paid" will be sent via e-mail or mail for archival purposes.

I (renter) _____ FULLY understand and have read the terms outlined above and FULLY agree, with no objections stated or implied.
